# NUS DELEGATE ELECTIONS

## VOTE FOR PAUL FOR NUS DELEGATE 2022/2023

- What are my Priorities to bring to NUS?
- Creative Arts Advocacy

In July 2021 the Government announced devastating cuts to our beloved creative arts industry.

Although no cuts are happening at UWL, they are happening at other universities which could have massive implications on your career prospects.

- Mental Health Support

Mental Health is still not as openly talked about and is still regarded as a difficult subject for most to approach and talk about.

By taking this to NUS my aim is to get universities to work together by hosting collaborative events whilst promoting the message that we are here to talk whenever you are ready.
